U.S. DISTRICT COURT  
MIDDLE DISTRICT OF FLORIDA  
ORLANDO, FLORIDA

Motion to enlarge time limit for filing Petition for  
Writ of Habeas Corpus

Comes Now pro se petitioner John W. Dobbs prison  
number 0-C00618 before this Honorable Court requesting a 30  
day extension to his filing time for the following reasons:

1) petitioner had previously sent the majority of his legal work  
home to his mother who is ill and currently being hospitalized,  
preventing him from getting access to much of the necessary  
documents;

2) petitioner's case is based on alternate theories of fact concern-  
ing the State's theory of guilt, causing petitioner to address the  
multiple theories as well as any inference that may support any  
similar theories, and in doing so petitioner's petition is around  
200 pages long and the additional time will be used to condense it,

Wherefore petitioner respectfully request that this Honorable Court grant this motion to prevent petitioner from being prejudiced any further.

Certificate of Service.

I hereby certify that a true and correct copy of the foregoing has been mailed to: the U.S. Middle District Court of Florida in Orlando; and the Honorable Bill McCollum, Attorney General for the State of Florida's Daytona office.

Respectfully submitted,
