Re: State v. John W. Dobbs; 06CF015201AOR

Dear Ms. Dobbs:

I have made a copy of all the discovery I have in the case (including tapes, videotapes, cd's, etc.) and have included it all in this package. Any discovery I did not receive from the state, I am unable to forward a copy to you since I never had it in the first place. In your letter, you requested a transcript of 911 calls and a copy of the 911 calls – I never received this from the state so I do not have it to provide to you.

Sincerely,

A handwritten signature in black ink, appearing to read "Catherine Chien", with a long horizontal flourish extending to the right.
