Re: State v. John W. Dobbs; CF06-15201-O

Dear Ms. Dobbs:

In response to your questions:

- (1) The information that I provided Mr. Dobbs and you was not signed by Lawson Lamar and Lydia Gardner because it was not the original, it was just a copy that I had received (which does not need to be signed). The original would be in the court file which I do not have and which I would assume had been signed.
- (2) I do not have trial transcripts and sentencing transcripts which was why I did not send them. You would need to get them from the appellate attorney which I'm assuming Mr. Dobbs already has since that is where a copy of the cover of the sentencing proceedings came from (which you provided to me).
- (3) Case number 48-2006-CF-15201-O is the same as 48-2006-CF-015201-O and 48-2006-CF-0015201-O. The number is 15201 in all 3 instances. The adversarial preliminary transcript that said 2004 was obviously a typo and incorrect.
- (4) These are trial issues that were decided by the jury.

Sincerely,

Catherine Chien
