f.) The 2 Document; "Selection Menu," shows that there was a change in the attachment of legal document, date 1/12/11 (before the change) and 1/13/11, (after the change, the same day I spoke to Ms. Mollie).

Mrs. Dobbs discovered the error and reported the missing appendix to Ms. Anita Justin, Court Operations Supervisor on 2/3/11, Mrs. Dobbs also complained to Ms. Anita that all of the pictures of John's injury which is in black and white was very dark in the case docket, yet when I made copies of his pictures (injuries) in black and white to send to the courts they were very clear.

i.) * **Removed** from John's case docket no.28, filed on 02/07/2011, "Order Granting 27 Motion for Leave to File Excess Pages, put in it's place was **"The document for this entry has been moved by the Clerk's office for Quality Control Purposes.** " On 04/08/2011 Mrs. Dobbs, discovered the illegal removal of another court document and reported to the court clerk, Mrs. Dobbs was told they don't know why it was removed, but they will put it back. Re: John Dobbs : case docket no. 6: 10-cv-00663-GKS-GJK

Dear Ms. Anita Justin,

As for my conversation with you when you returned my phone call on February 9,2011, I left numerous messages on Ms. Mollie's Deputy Clerk of the Court Case Management, answer machine complaining about the missing "Appendix W-2, and the not scan pages 80 thru 94 (total of 15 pages) from John Dobbs "Second Amend Petition" of 118 pages. I learned later she was in training that day and could not return my phone calls, because of the **serious nature** of my compliant,I felled I had no other recourse but to bring my concerns to her supervisor.

I told you that I called Ms. Mollie Deputy Clerk of the Court Case Management , who is in charge of John Dobbs case docket no. 6:10-cv-00663-GKS-GJK, I complained to you, about the missing Appendix W-2, the fact that she made dark copies of all of John Dobbs, pictures (of his injuries) . Also that on January 13,2011 Ms. Mollie did not scan all of a John's "Second Amend Petition," of 118 pages that pages 80 thru 94 was missing and the proof of the missing pages was stated in the Attorney General "Supplemental Response to Petition," bottom of page 15 of 33.

I told you Ms. Mollie told me on January 13,2011, the reason was **"those pages wasn't scan because John gave them to many pages to get scan, but I will scan them now and give them to the attorney general."**

You told me " that was a lot of pages to be scan, and when that happens they don't scan them". I told you then why didn't she or any one notify him that it had to be amended by "Order to Show Cause," informing him that pages 80 thru 94 will be missing from his petition (a total of 15 pages).

Wouldn't they tell him that it has to be "Amended,"" you said yes they would" , then" I said how can he amend his petition when it was amend from,150 pages to 118 pages and the 118 amended pages was accepted, no one told him the pages were missing. But Ms. Mollie did scan them that same day and all 118 pages are now in the case docket, it's the same argument missing from the"Court Record." which is his "Prosecutorial Misconduct."

I wrote a letter to Ms. Mollie, dated January 14,2011 requesting conformation that she serviced the Attorney General complete copies of the

Simpo PDF Merge and Split Unregistered Version - http://www.simpopdf.com

"Second Amended Petition, with the 118 attach 80 thru 94 pages, Ms. Mollie never responded to the letter.

I also complaint to Ms. Mollie about the unprofessional way she scanned John's "Appendix C thru V", some of the appendixes and alphabet, appeared to had been cut off from the bottom of the pages, others looked like someone white out half of the words appendix, the copies of John's "Appendix C thru V was mailed out to the U.S. Middle District Court of Florida was clear whole with no white out 's on half the words appendix and alphabet, Ms. Mollie told me that she would fix it by re-scanning them over and she did, **but** still an unprofessional job. I was told by Ms. Mollie that the copy machines in this office is not the best copying machine out there,it's obsolete and sometimes it pushes the pages through tilted. How suspiciously that all of a John's black and white injury pictures were scanned so very dark,it looks like someone poured black ink over his cuts and bruises. Yet John mailed the U.S. Middle District Court of Florida, clear black and white pictures of his injuries. **John gets all copies of his legal document from me his mother,so I the know the condition in which you received them, they are very clear and in good condition.**

Removed, from John Dobbs case docket no.28, filed on 02/07/2011, "Order Granting 27 Motion for Leave to File Excess Pages, put in it's place was **"The document for this entry has been moved by the Clerk's office for Quality Control Purposes."** On 04/08/2011, I discovered the illegal removal of another court document and reported to the court clerk that same day, I was told they don't know why it was removed, but they will put it back. I call back moments later and spoke to Ms .Mollie about the illegal acts of the missing (not scanned) pages of the petitioner's 118 pages document of 80 thru 94 pagers, and now the judge's "Order Granting 27 Motion for Leave to File Excess Pages," she ignored my complaint about the not scanned pages and insist that the judge's "Order" was just put back into John's case docket no.28, a few seconds ago.

Not including my first phone conversation with you on February 09,2011 and the removal of the judges "Order Granting 27 Motion for Leave to File Excess Pages, **I have been complaining to you about the above fraudulent illegal practices each time I spoke to you on the phone**. On the same days you e-mailed me which was on February 3,2011, February 4,2011 and February 20,2011, you only mention the missing "Appendix W-2, not the complaints about the not scanned 15 pages,

Policing, the U.S. Middle District of Florida's Court ,Clark of the Court, has taking it's toll on me and my family emotional and financial.

With your knowledge, this illegal practices continues. **Please** remove Deputy Clerk of the Court Case Management: Ms. Mollie, from John's case docket and any thing dealing with John Dobbs, this letter and the work she did on John Dobbs case docket can be found on my website "americanmekinguniversal.org."

Has been notified as well as the docket clerk that appendix W-2 will be forthcoming in the mail and that the pictures in the file are clearer as the scanners tend to darken pictures.

Dear Ms. Anita Justin,

As for my conversation with you when you returned my phone call on February 9,2011, I left numerous messages on Ms. Mollie's Deputy Clerk of the Court Case Management, answer machine complaining about the missing "Appendix W-2, and the not scan pages 80 thru 94 (total of 15 pages) from John Dobbs "Second Amend Petition" of 118 pages. I learned later she was in training that day and could not return my phone calls, because of the serious nature of my compliant,I felled I had no other recourse but to bring my concerns to her supervisor.

I told you that I called Ms. Mollie Deputy Clerk of the Court Case Management , who is in charge of John Dobbs case docket no. 6:10-cv-00663-GKS-GJK, I complained to you, about the missing Appendix W-2, the fact that she made dark copies of all of John Dobbs, pictures (of his injuries) . Also that on January 13,2011 Ms. Mollie did not scan all of a John's "Second Amend Petition," of 118 pages that pages 80 thru 94 was missing and the proof of the missing pages was stated in the Attorney General "Supplemental Response to Petition," bottom of page 15 of 33.

I told you Ms. Mollie told me on January 13,2011, the reason was "those pages wasn't scan because John gave them to many pages to get scan, but I will scan them now and give them to the attorney general."

But Ms. Mollie did scan them that same day and all 118 pages are now in the case docket, it's the same argument missing from the"Court Record." which is his "Prosecutorial Misconduct."

I wrote a letter to Ms. Mollie, dated January 14,2011 requesting conformation that she serviced the Attorney General complete copies of the "Second Amended Petition, with the 118 attach 80 thru 94 pages, Ms. Mollie never responded to the letter.

I also complaint to Ms. Mollie about the unprofessional way she scanned John's "Appendix C thru V", some of the appendixes and alphabet, appeared to had been cut off from the bottom of the pages, others looked like someone white out half of the words appendix, the copies of John's "Appendix C thru V was mailed out to the U.S. Middle District Court of Florida was clear whole with no white out 's on half the words appendix and alphabet, Ms. Mollie told me that she would fix it by re-scanning them over and she did, but still an unprofessional job.
